

“From idea to project” canvas

<p>1 Brief description of my idea What is my idea about?</p>	<p>3 Overview and context Where will my idea be implemented? With whom will I collaborate? Who benefits from the idea?</p>	<p>Instructions The "From idea to project" canvas is intended to support the process of turning an idea into a project. Proceed in numerical order and write your reflections on the canvas. You can also use "From idea to project" cards as aids in your planning.</p> <p>If you are using the canvas for project planning in the context of the <i>Creative and Cultural Innovation Expertise</i> ESF+ theme, familiarise yourself with the theme's content and criteria:</p> 
<p>2 Problem to be solved What problem does my idea solve? Strive for concreteness!</p>	<p>4 Opportunities What can I leverage to implement the idea? What already exists?</p> <p>5 Barriers and challenges What could prevent the idea from being implemented? What might slow down the realisation of the idea?</p>
